Dear Sir or Madam,

I am writing to you on behalf of local residents in my ward. I am a Knaphill Councillor for Woking Borough Council. I am concerned about the ongoing road adoption in Florence Way (B) and Tringham Way. While it is clear that you are making efforts to progress towards road adoption as it has been going on for such a long time, I would very much to have a more specific time line. Could you please let me and local residents know when you believe the current obstacles to road adoption will be completed.

I understand from Surrey County Council and local residents that while no road adoption agreement for either road currently exists it is specified in the deeds of properties in this area that you will be seeking a road adoption agreement with Surrey County Council. Could you please let me know if this is the case and the time line under which you plan for this to happen. I look forward to your reply with detail of when you expect this process to be complete.

Yours sincerely,

Cllr Olly Wells
